

Great Music. Unexpected Finds. Tailored for you.

We believe that music is an expression of your personality and finding that perfect playlist can make for the perfect day. Our playlists are created just for you with music from emerging and mainstream artists based on your personal profile.

New Music. Perfect Playlists. Custom-selected.

Step 1

What's your current lifestyle?

Are you out every night? Training for a marathon? Need the perfect music for studying? Or focused on setting the right mood for a quiet night at home?

What defines you?

Tell us about your favorite things. What style defines you? What cannot you live without? What's your spirit animal? What's your must see TV?

Your Personal DJ. Like a Personal Chef, But For Your Ears.

At Beat.box, we do things a little differently. We recommend music for you through a uniquely created database that categorizes music and artists by personality: what you're into, your likes and dislikes, how you live – instead of by reviews and recommendations. We enhance your current lifestyle and introduce new and unique music options.

Hungry For More?

We don't tell you what music to like. With the Beat.box app, you tell us what music you want to hear. But if that's still not enough for you, our blog is full of resources to help you find new and emerging artists as well as hidden gems from the past.

About Us.

Beat.box was founded in 2014 by three close friends who wanted to help introduce others to great music and create an exciting new way to discover and create new playlists.
